Summary Presentation and

Lecture/Seminar Program

World Harmony Online

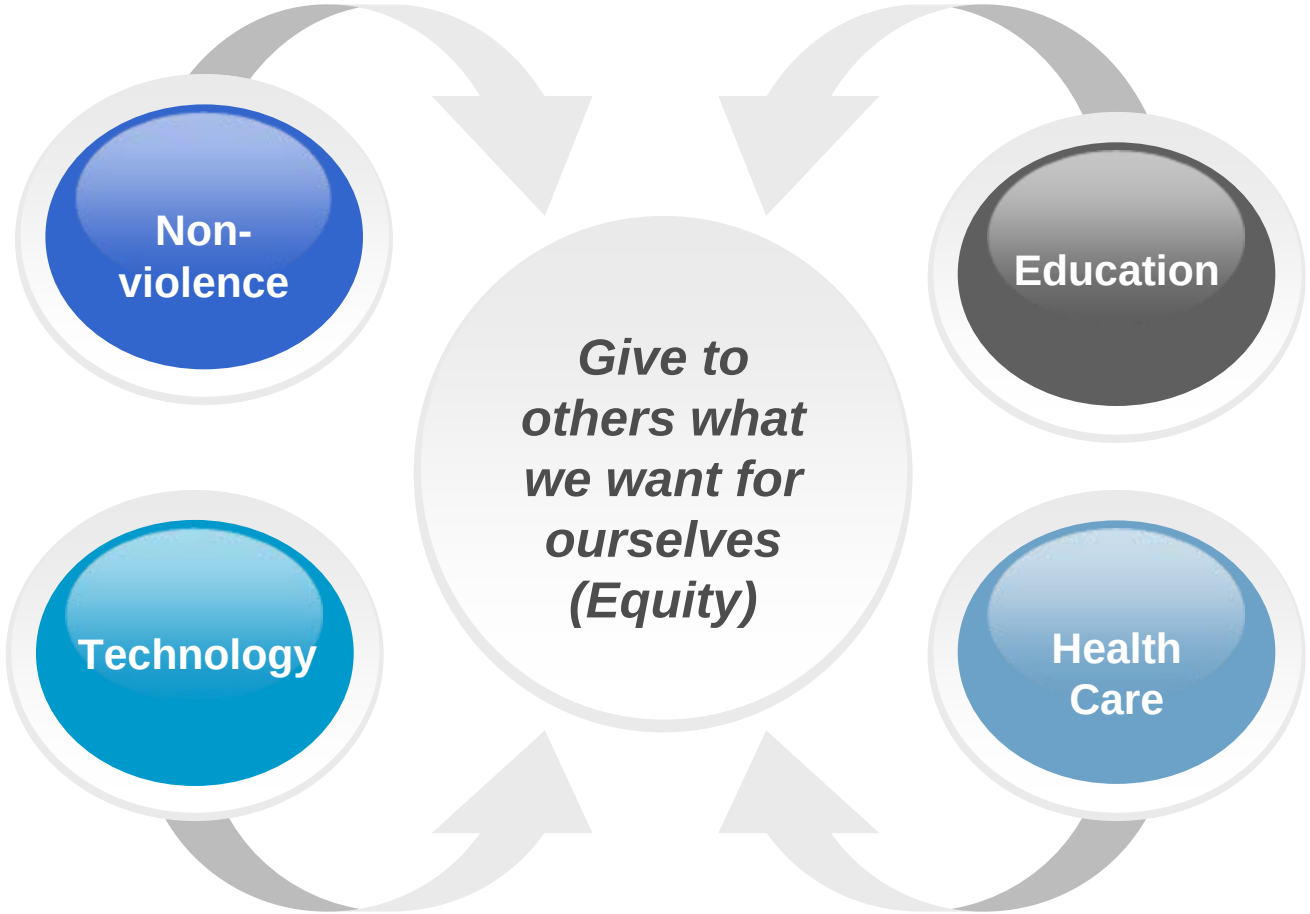
A Non-Violent and Equitable World

with

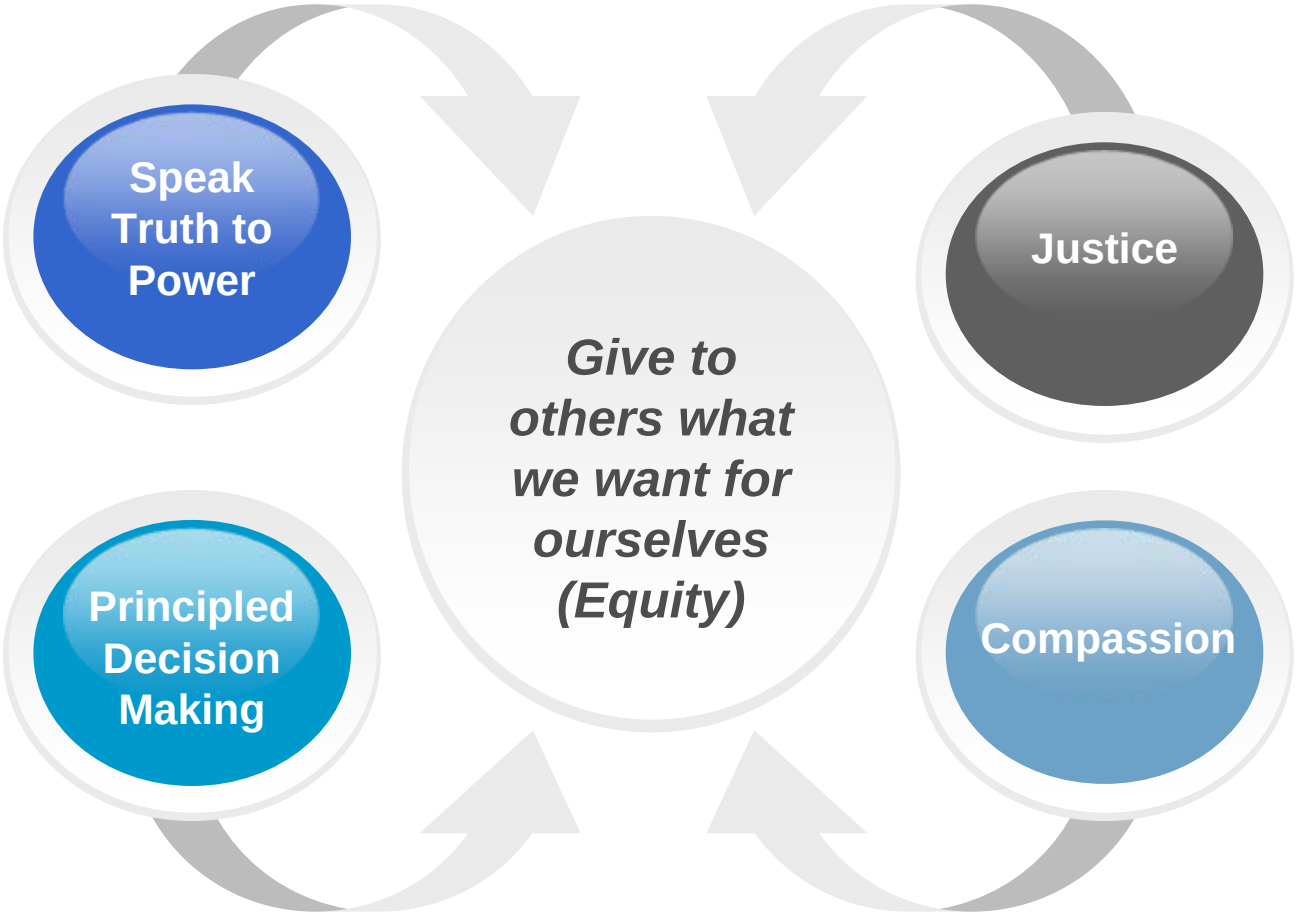
Access to Education, Health Care

and Technology

for All



Non-violence
Education
Give to others what we want for ourselves (Equity)
Technology
Health Care



Speak Truth to Power
Justice
Give to others what we want for ourselves (Equity)
Principled Decision Making
Compassion

World Harmony Online Pledge

We, The Citizens of the World, pledge to do everything we can to create A Non-Violent World with Access to Education, Health Care and Technology for All. We will do so by giving to others what we want for ourselves. In doing so, we pledge to make principle-based decisions, to speak the truth--particularly to power--and to be just and compassionate in all our thoughts and actions.
